Objective

Seeking a position in an organization where I can learn new skills and expand my knowledge. To get an opportunity where I can make the best of my potential and contribute to the organization's growth.

About Me

My name is Usman, and I am a web developer. I completed a web development course from Aptech and am currently pursuing a Bachelor of Science in Computer Science (BSCS) from Virtual University. I am passionate about creating efficient and user-friendly web applications, constantly improving my skills to stay updated with the latest industry trends.
